RAILWAY ADVENTURES

OVERVIEW

From stunning mountain ranges and snaking rivers, to famously enchanting wineries and an eclectic collection of little country towns, South Australia offers some of the most varied experiences in the country. Combine the broken, rugged and rust-coloured landscape of the Flinders Ranges with the rolling green hills and pristine coastline of the Fleurieu Peninsula and you have the bookends of this special adventure. The Festival state is also home to a compact collection of some of the most appealing and authentic heritage rail journeys in Australia.

Kicking off in Adelaide and heading north, our journey takes in an interesting mix of experiences, including sound and light shows, industrial and rural heritage, fine dining and wine tasting. But then, the centrepiece of the tour, a very special charter of the 'Pichi Richi Explorer' steam train for a trip on the most iconic section of the original Trans Australia Railway. In the company of your well-known tour leaders, Railway Adventures owner, Scott McGregor and Tim Fischer, former Deputy Prime Minister and the Patron of the Pichi Richi Railway, you're sure of an entertaining, informative, revealing and memorable short adventure.
