# INTRODUCTION

The dawn of the railway age in Victoria was perfectly timed, coming hot on the heels of the greatest gold rush in Australia's history. The windfall from mining royalties was crucial in funding the construction of the country's first main line railways. These branched out in the 1850s and '60s to reach the 'Pot of Gold', the Murray River, at Echuca in 1864. Here, the riverboat trade was also booming and the coming of the railway added another spoke to this already busy hub. Our special short adventure celebrates this golden age of rail and river transport in the colony of Victoria. It culminates in a kind of re-enactment of the famous 'meeting of the whistles' at the Port of Echuca, where steam train and steamboat connected in a hail of whistles echoing over the town and river – the sound that once reminded one and all of the prosperity and enterprise of their great state.

Join us on a journey that showcases not only Victoria's culturally rich cities and towns, but also its unique natural beauty, iconic gold-rush history, sublime local gastronomy and character-filled railways. We begin our journey by experiencing the efficient, modern regional rail service before embarking on steam-powered transport that takes us back in time, and then on to the state's northern border. Here we experience the mighty Murray aboard the quaint PS Emmylou paddle steamer, where we enjoy a lunch cruise on this iconic vessel. Our next departure point is Bendigo staying in the grand old Shamrock Hotel and exploring the city at length. We visit Maryborough's grand station which is also a monument to another age and then settle into Ballarat for a few nights to explore the region, including a visit to Daylesford for a private charter of the charming DERM Railway and time at Sovereign Hill to explore and view the recently revamped light and sound show. Victoria's natural beauty is on show at the Grampians National Park and rides on The Overland, Puffing Billy and Australia's premier rail restaurant the 'Q Train' cap off a mighty trip around The Garden State in the height of autumn.

## MEET YOUR TOUR LEADER

### GRAEME HIND

Graeme has travelled Australia and the world extensively his entire life, whether it be by train, motorcycling through the outback, Europe or North America, or through Africa in a 'worse for wear' Kombi van. As a child growing up in Sydney he witnessed the very last of the days of steam on the railways of NSW and thus began a fascination for trains and rail travel that continues today. He enthusiastically followed every boy's dream of becoming a steam engine driver, becoming involved in the railway preservation movement at an early age, and today he is a regular volunteer steam driver and trainer at a number of preserved railways in Victoria. Graeme's professional life was in water resource engineering and operations, a field in which he is still involved, and this resulted in him residing in a number of rural locations in NSW and Tasmania. He has also lived in Canada and spent a few years in South Africa working for the railways there. Some favorite places to travel? Graeme says "The back blocks of Australia, the Isle of man (Motor bikes AND trains!), and anywhere where you learn something you didn't know!"

Here, after a break, we board a local V-Line train for a short cross-country run to the fair city of Ballarat, our base for the next 2 nights.

We check into the wonderful Craig's Royal Hotel in the centre of the city and enjoy some free time to freshen up and relax before heading across to Sovereign Hill for an evening dinner. After this jolly feast we wander over to the other side of the site to experience their wonderful new sound and light show 'AURA' which tells the Wadawurrung creation story with projections on the lake and the legend of the Eureka Battle and subsequent events that have helped to shape our nation. Known for its rugged sandstone mountains, dramatic cliffs and plummeting waterfalls, you'll see why it deserves its reputation as one of Victoria's greatest natural wonders. Enjoy lunch at a local restaurant before taking a short cross-country coach ride to Ararat where we'll board our train bound for Melbourne.

Arrive back in Melbourne in time to relax at the hotel before enjoying a light banquet in the hotel's restaurant.

Our day is capped off with a quick train ride back from Geelong to Southern Cross station and our adjacent hotel.

*Overnight: The Batman Hill on Collins, Melbourne (B, L)*

#### **Day 10 • Monday 28 November: DEPARTURES OR OPTIONAL EXTENSION**

This morning your tour concludes after breakfast in the hotel.

#### **OPTIONAL EXTENSION**

Monday: After breakfast we head back to Southern Cross Station to take a metro train to Belgrave, the departure point for the legendary Puffing Billy, Australia's most popular heritage railway situated in the foothills of the Dandenong Ranges. Originally built in the early 1900's as a low cost 2'6" gauge line to service the local communities and timber industry, it was closed in stages in the 1950's before being saved by dedicated volunteers and rail fans who strived to restore the line and the rolling Stock. Since the 1960's it has been serving a huge role as one of Victoria's most popular tourist attractions.

Our train departs at 12:30 and you'll get to experience a steam hauled trip along the length of the character filled narrow gauge line while enjoying a lovely grazing platter lunch in the first-class dining car. There will be opportunities to visit the new Lakeside Centre and the Menzies Creek museum as part of your excursion ticket. Return to Melbourne in the late afternoon for an evening at leisure.
