THE RAILWAY ADVENTURES STORY

Railway Adventures was launched in 2012 by well-known Australian TV personality and self-confessed rail fan, Scott McGregor. A lifelong passion for travel has taken Scott to scores of countries and his preference for rail has seen him exploring many of the world's great train journeys, confirming his belief that the most relaxing, romantic and engaging way to see a country is by rail. He even has his own life-sized, fully restored opulent train accommodation atop the Great Dividing Range near Mudgee, offering guests a rare and special bush retreat experience.

Since 2012 Railway Adventures has thrilled and delighted more than 1200 travellers on over 100 tours from Sweden to Sri Lanka, Tasmania to Transylvania, Britain to Burma, Venice to Vietnam and all manner of shorter adventures in our own wonderful country. Scott's numerous rail-themed TV documentaries, his ongoing involvement in rail heritage and his extensive connections with private train owners around the world, guarantee that every Railway Adventures tour is exclusive, entertaining and authentic.
