### PARTICIPATION CRITERIA

To participate in an Railway Adventures tour, you must be reasonably fit, in good health and able to participate in all activities without assistance from Tour Leaders or other tour members. If you require assistance, a fit and able travel companion must undertake to accompany and assist you with all tasks for the duration of the whole tour. The responsibility of the Tour Leader is to ensure that the larger group enjoys a relaxing and informative journey, and he or she cannot be relied upon to provide ongoing individual assistance to any one guest.

### FITNESS

In order to get the most from your travels and keep up with the group, a reasonable level of fitness is required. Each destination makes specific requirements, so you should check carefully with us if you are in doubt about your ability to fully participate. To help guide you, we have graded our tours with how many locos will be needed to keep pace ☺

#### GRADE 1-REASONABLE FITNESS ONE LOCO

You will need to be able to walk for a couple of hours at a gentle pace, remain standing in museums and galleries, get on and off coaches, trains and boats unassisted. These tours often include luggage handling services, short-distance transfers, privately chartered trains and longer stays in hotels so you can more easily choose to take time out.

#### GRADE 2-GOOD FITNESS TWO LOCO'S

The most common grading for our tours. Two loco itineraries offer many activities that require a little extra fitness - walking on uneven ground, climbing hills to enter towns or historic sites, walks of 1-3 kilometres as well as getting on and off transport. You need to have good mobility and aerobic fitness and be able to manage your own luggage.

#### GRADE 3-EXCELLENT FITNESS THREE LOCO'S

These tours are fast-moving and have quite full days that often include a lot of walking. There's also a lot of getting luggage on and off trains. You'll need to have excellent mobility and good muscle strength to be able to enjoyably travel and get the best out of the experience.

Please mark X in the YES or NO box to every question below and provide details where necessary:

### MOBILITY AND FITNESS

As many of Railway Adventures' international sites do not provide access to wheelchairs or similar mobility aids, we regret that Railway Adventures tours are not suitable for people who require the use of a walking frame, wheeled walker, wheelchair or motorised scooter.

1. Can you walk and stand for at least 1-2 hours without assistance?
2. Can you climb stairs and/or walk up and down slopes without assistance?
3. Can you organise, manage and carry your own luggage?
4. Can you follow and remember tour instructions and meet punctually at designated times and places?
5. Are you able to step into a bath with shower without assistance?
6. Do you have impaired vision or hearing which may impact your capacity to participate on this tour?
